### Desktop Workgroup (16-30 ppm)

#### Panasonic KV-S1025C High Speed Color Scanner

Virtually any type of document, from business card size to legal size, from thin onion-skin paper to thick hard ID cards, single sided or double sided, the new KV-S1025C can scan them all in color or black and white. Fast and reliable, these compact but powerful scanners come with intelligent RTIV™ image capturing software that maximizes the potential of document scanning with precision reproduction and versatile processing. All of this in a quiet, space saving design that will fit comfortably in the most front-office environments -- even tight counter-tops and reception areas. The KV-S1025C from Panasonic -- the ideal front-office document filing solution.

## Panasonic KV-S2028C High Speed Color Scanner

With duplex color scanning capability and high-reliability paper handling, the Panasonic KV-S2028C brings true efficiency to your document management.

The KV-S2028C's double-feed prevention roller employs an ultrasonic sensor that detects the double feeding or originals during scanning. This innovative design prevents double feeding, and has been proven effective even when the documents being scanned contain a mix of paper of different weights or thickness. Thanks to double-feed prevention, optimum reliability is assured even when scanning high-volume documents.

Despite a compact desktop design, the KV-S 2028C features a rugged, high durability design and reliable paper handling. With a 3-million page scanning capability that's at the top of its class, this versatile high-speed scanner provides the extra performance required for heavy scanning demands, easily handling a wide range of paper weights from 13.3 lbs. to 33.9 lbs.
