Brother HL-L5100DN

High-Speed Laser Printer With Duplex

The HL-L5100DN is a business monochrome laser printer for offices and small workgroups. Cost-efficient output due to a high-yield 8,000-page replacement toner cartridge. Print up to 42ppm, at up to 1200 x 1200 dpi resolution. Advanced security features helps restrict unauthorized printing and protect sensitive documents. 250-sheet capacity paper tray, with 50-sheet capacity multi-purpose tray for envelopes and alternative media types. Expandable to 1,340 sheets total capacity with optional add-on trays. Automatic duplex printing helps save paper. Easily network via Ethernet interface. Print from mobile devices over a wireless network. Backlit LCD display for easy menu navigation.
